### REASONS FOR ALLOWANCE

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claim 1 recites, inter alia, *a fixing groove is formed in the spacer and a crossover is accommodated by the fixing groove.*

Claim 10 recites, inter alia, *a fixing groove is formed in the spacer and a crossover is fitted in the fixing groove to secure the crossover to the spacer.*

Claim 14 recites, inter alia, *a fixing groove is formed in the spacer, and a crossover passes through the first one of the inter-magnet spaces and is fitted within the fixing groove.*

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
